

Missing Letters Spelling Game

Game Instructions

A game for 2 players.

Player 1 chooses a word from the list, keeping it a secret from player 2. Player 1 counts up the letters and draws the exact number of letter spaces in the game play area below, e.g. _ _ _ _ _ (for a six letter word). Player 2 then rolls the dice and the number rolled is the number of letters that player 1 must reveal in the game play area below. Player 2 must fill in the remaining missing letters. Players then swap over, taking turns.
