

## Wow Certificates

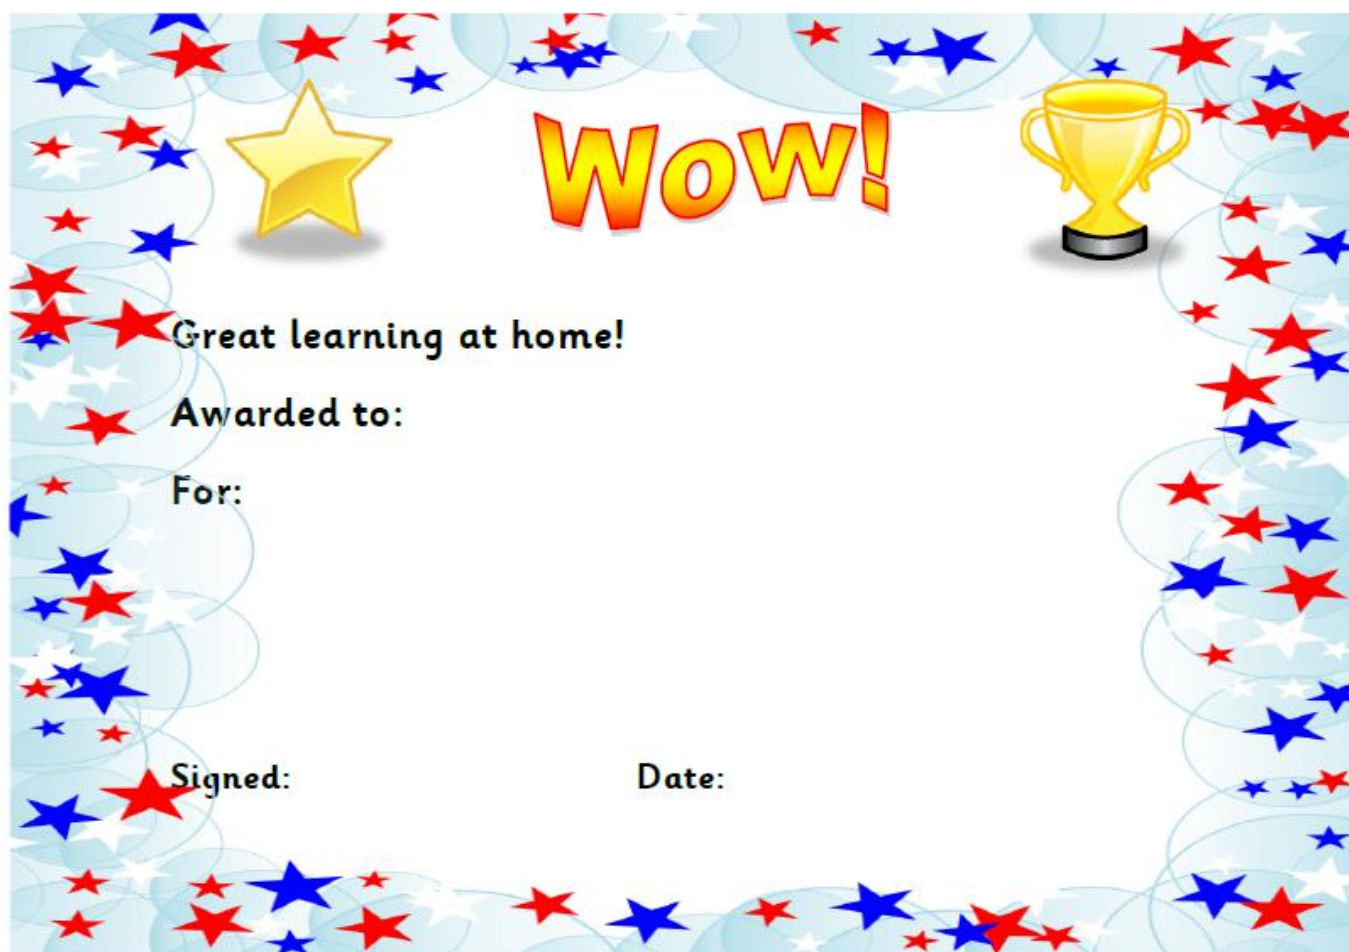

Please find below a 'Wow Certificate', this can be completed at home by any grown-up. The certificate is an opportunity for you to celebrate achievements made outside of school and to share this celebration with us in school. For example, you may want to reward your child with their 'Wow Certificate' because they have learnt to ride a bike, or because they have been very kind and helpful at home. It could also be for retelling a story or practising their writing. The reason for the celebration is entirely up to you!

You can fill in and return the certificate at any time during the year. When we receive a 'Wow Certificate' we will share it within the class and a new one will be sent home.

Many thanks in advance for your support, and should you have any questions or queries please do not hesitate to ask a member of staff.

Kind regards,

The Reception Team

**Wow!**

**Great learning at home!**
